General assistance: P. Wilders   (p.wilders@its.tudelft.nl)
                         P. Sonneveld   (p.sonneveld@its.tudelft.nl)

Final date of report Matlab introduction: 20-11-2001
Final date of report first assignment: 17-12-2001
Final date of report second assignment: 14-01-2002

Matlab introduction: Compulsory approval/control on Matlab intro meeting
Instructions: Compulsory meetings from 13.30-17.00 hour
Phase 1 of assignment: Compulsory approval/control on Instruction meeting
Phase 2 of assignment: Compulsory approval/control on Session meeting

On the Matlab intro and session meetings assistance will be given on a 'first walk in - first help' basis. Alternatively, appointments can be made via practadm@its.tudelft.nl at least 24 hours before the meeting.

On the Matlab intro and session meetings only limited computer capacity is available. It is expected that most of the students prefer to do the computer work elsewhere. In this case it is advisable to bring the source code on floppy, when consulting the assistant on the session meetings.
